To,
The Board of Directors,
M/s Taylormade Renewables Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of **Taylormade Renewables Limited** (the "Company"), for the quarter and nine month ended June 30, 2025 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. This Statement which is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (Ind AS) 34 on 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, except for the matters describe below, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards ('Ind AS') prescribed under section 133 of The Companies Act, 2013, read with relevant Rules issued thereunder and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing

Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement, except for the matter specified in emphasis of matter.

We draw attention to the following matters:

a) The Company is in the process of securing confirmation from long-standing debtors and Advances given for Land purchase, which remains ongoing. Refer to Note 3 to the quarterly standalone financial results for the period ended 30th June, 2025.

b) In the quarterly standalone financial results for the period ended 30th June 2025, the Company has valued stock based on the technical analysis of the management instead of following IND AS 2 "Inventories." The closing stock and the method used to derive it have been calculated and certified solely by the management.

As a result of the foregoing matters, we were unable to determine whether any adjustments might have been necessary in respect of recorded or unrecorded transactions and accounts receivable/payable presented in the Balance Sheet and the corresponding elements making up the Statement of Profit and Loss.
