The Board of Directors held a view that the company has an exclusive SDD compliance software model made available by one of the leading Software providers, the SDD Software "InSiDDeR," which enables the Company to:

1. Keep a detailed record of every UPSI communication, including the sender and receivers' data, nature of UPSI, mode of sharing, purpose, and time of sharing.
2. Keep the database encrypted to prevent tampering, ensuring that all UPSI records created within the SDD cannot be edited or deleted once they have been created.
3. Maintain a complete record of all actions performed within the SDD, including the date and time of record creation and the names of the users who created the records.

The concerned executive responsible for mentioning the no. of events captured on the SDD Software has presented limited details. However, he can provide comprehensive details as required in the prescribed format of the SDD compliance certificate of the BSE.

The Board of Directors unanimously felt that the concerned executive responsible requires an orientation training program on presentation skills and asked the concerned executive to undergo training with the SDD software provider to understand more about UPSI. He was told in stricter terms that he should not continue such presentation mistakes in the future.

The Board of Directors also have reviewed the already filed corrected SDD compliance certificate for the quarter ended June 2023 and recommended to continue with the best practices.

The meeting commenced at around 4.30 pm and ended around 5.30 p-m.

Yours faithfully,

For **First Fintec Limited**

Limited Review Report

Review Report to ..
The Board of Directors
First Fintec Limited (Firstobject Technologies Limited)

We have reviewed the accompanying statement of unaudited financial results of M/s First Fintec Limited (formerly M/s Firstobject Technologies Limited) for the period ended June 30th, 2023. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, *Engagements to Review Financial Statements* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Thankingyou,
