6. We did not review the financial results of a subsidiary included in the Statement, whose financial results reflect total revenues of Rs. 2,259 lakh and Rs. 6,622 lakh, total net profit after tax of Rs. 830 lakh and Rs. 2,871 lakh and total comprehensive income of Rs. 824 lakh and Rs. 2,866 lakh for the quarter and nine months ended December 31, 2020, respectively, as considered in the consolidated unaudited financial results. These financial results have been reviewed by other auditor whose report has been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of this subsidiary is based solely on the report of the other auditor and the procedures performed by us as stated in paragraph 3 above.

SHAH GUPTA & CO. MUMBAI FRN : 109574W CHARTERED ACCOUNTANTS

7. The Statement also includes the Group's share of net profit after tax of Rs. 7 lakh and net profit after tax of Rs. 16 lakh and total comprehensive income of Rs. 7 lakh and Rs. 16 lakh for the quarter and nine months ended December 31, 2020, respectively, as considered in the consolidated unaudited financial results, in respect of one associate based on their financial results which have not been reviewed by its auditors.
