Notes:

1.The above financial results were reviewed and recommended by the Audit Committee and approved by the Board of Directors Directors at their meeting held on 11th August 2023 and have been subjected to review by the Statutory Auditors of the company. The above results have been prepared In accordance with the Indian Accounting Standards-(Ind AS) as prescribed under Section 133 of the Companies Act 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016

2.During the period under review, the management of our material subsidiary made a strategic decision to produce more finished goods and procure raw materials more than required for the current quarter. This initiative was aimed at bolstering their negotiating position during peak seasons with customers. However, this move resulted in a rise in the Cost of Goods Sold (COGS), consequently exerting downward pressure on the Profit Before Tax (PBT) for the current quarter. It is anticipated that the positive effects of this strategic choice will manifest in the upcoming quarters.

Additionally, the material subsidiary had previously obtained a non-interest-bearing unsecured loan from its related party company. Subsequently, the board of directors of the related party revised the terms and conditions of this loan to make it interest-bearing unsecured loan. As a result, there was a further escalation in finance costs, impacting the PBT of the material subsidiary.

3.The financial results are being forwarded to the Bombay Stock Exchange & also available on the company website (www.indrayani.com).

4.Financial Results quarter ended 31st march 2023 are the balancing figures between the audited figures in respect of the full finacial year ended 31st march 2023 and unaudited year to date figures upto period ended 31st Dec 2022

5. There is no investor complaint received during the quarter.

1.The above financial results were reviewed and recommended by the Audit Committee and approved by the Board of Directors Directors at their meeting held on 11th August 2023 and have been subjected to review by the Statutory Auditors of the company. The above results have been prepared In accordance with the Indian Accounting Standards-(Ind AS) as prescribed under Section 133 of the Companies Act 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2.The company's standalone profits for the present quarter have witnessed a decline in comparison to the profits recorded in the corresponding quarter of the prior year. This decrease is primarily attributed to a noteworthy escalation in finance costs.

In the preceding fiscal year, the company opted to finance its acquisition using debt capital, resulting in a surge in finance expenses. Consequently, this exerted downward pressure on the profit before tax (PBT). This emerged as the principal factor driving the reduction in PBT. This assertion is supported by the levels of earnings before interest, taxes, depreciation, and amortization (EBITDA), with Q1 of the 2022-23 fiscal year at 10.95%, whereas the same metric for the current fiscal year stands at 12.10%.

3.The financial results are being forwarded to the Bombay Stock Exchange & also available on the company website (www.indrayani.com).
