Independent Auditor's Limited Review Report on Unaudited Standalone Financial Results of Mideast Integrated Steels Limited (the "Company") for the Nine Months ended December 31,2025 Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
Mideast Integrated Steels Limited
Mesco Tower, H-1, Zamrudpur Community Centre, Kailash Colony,
New Delhi - 110048

1. We have reviewed the accompanying statement of unaudited standalone financial results of Mideast Integrated Steels Limited (the 'Company') for the Nine Months ended 31st December 2025.This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE)2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Based on our review conducted as above, *except for the effects of the matters described in the Basis for Qualified Opinion section of our report*, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements)Regulations,2015 including therein which it is to be disclosed, or that it contains any material misstatement.

4. **Basis for Qualified Opinion**

1) The Company is carrying Fixed Assets worth Rs. 1562.02 Cr as on 31st December 2025 being the Gross acquisition value. However, no insurance cover is taken by the company during the period and as a result the assets of the company are exposed to high risk of fire/burglary/earthquake/natural calamities etc.

2) Company has total receivable of Rs 117.55 Crores as on 31st December 2025 as compared to Rs. 81.54 Cr as on 31.03.2025. Out of total receivable RP Receivable is Rs. 9.75 Crores of Maithan Ispat Limited as on 31.12.2025 as compared to Rs. 17.91 Cr as on 31.03.2025. In the total receivable Rs. 98.02 Cr debtor is for sale of stock by OMC. There is no movement in major debtor other than related party. However, the company has neither made any provision for non- moving debtor nor initiating any litigation. Further, the balance

confirmation of receivables not provided to us.

3) Balance confirmations have not been provided to us for banks (for 09 Bank account out of 24). Further, we have not received direct bank confirmations for the current accounts and fixed deposits and interest on fixed deposits. However, company has provided us Statement of Account for fixed deposit but provide bank statements of only 04 account out of 24 account for our review.
Further, Physical copies of deposits have not been provided to us by the company. Hence, we cannot comment upon the genuineness of the deposits.

4) The company has Tax & Regulatory dues payable amounting to Rs. 169.57 Cr as on 31st December, 2025. Out of total dues Rs. 169.27 Cr is disputed dues as per the Management Representation letter given by the Company and Rs. 0.28 Cr is related to current period unpaid amount towards GST not deposited due to cancellation of GST Registration. Disputed dues are in respect of Central Excise, Service Tax, Sales Tax, VAT, Welfare Cess, Work Contract Tax, Income Tax, Entry Tax, Professional Tax, TDS, TCS, District Mineral Fund, National Mineral Fund Employee State Insurance, Provident Fund, Royalty, Ex-gratia, user Fee, GST and Compensation have not been deposited with appropriate authorities.
Further The Goods & Service Tax (GST) returns have not been filed by the Company since November 2020 of Odisha state and company has also not submitted ISD Return of Delhi and West Bengal from April 2022.Morover, GST of Odisha and Maharashtra (ISD) are not active as on date and suspended by the GST department.

5) In pursuance to the judgement dated 2nd August, 2017 of Honorable Supreme Court of India, in the matter of Writ Petition (Civil) No. 114 of 2014 between Common Cause v/s Union of India & Others, there is a compensation imposed of Rs 924.75 Cr along with interest on the company for excess production of Iron Ore during 2000-01 to 2010-11. The Company was supposed to make the payment of this compensation along with the interest on or before 31st December 2017, failing which the mines of the Company are closed down w. e. f 1st January 2018. The Company has filed a 'Curative petition' (Civil) on 28th March 2018, before the Honorable Supreme Court of India challenging the Judgement which is still pending and other waiver application is also in court vide application No. 19209/2021 Dated 09/02/2021. Hence, the company has not made provision for the same in the books of accounts. However, in our opinion since this compensation has been crystalized and accordingly, a provision for this liability should have been made in the books. Management has confirmed over mail along with other documents including payment challans that Rs. 415.79 crores have been deposited against the order.
Further, Hon'ble Supreme Court through its order dated 10.07.2023 has ordered State Government to takeover and sell the iron ore in question and give credit of the sale amounts to the SPV. After this order OMC (appointed by State Govt.) has recovered Rs. 53.86 crores including GST in the FY 2024-25 and Rs. 44.17 crores including GST in the First Quarter of FY 2025-26.
Accordingly, the Company has booked an income of same amount and respectively book OMC as debtor for the same amount in its books.

Further, based on the financials company is not having any business activity to generate the revenue in future and also after considering the provision for the above liability the net worth of the company would be negative, considering the same company may not be a going concern.

6) MISL has advances received from customers amounting to Rs. 336.09 Crores (RP Advances Rs. 18.82 Crores) as on 31st December, 2025. Out of which no movement in the major proportion of advances for more than 365 days. Since, the advances have not been appropriated against supply of goods or provision of services within a period of three hundred and sixty-five days (365 days) from the date of acceptance of such advance. Hence, the same will be treated as deposit as per the rule 2 (c) (xii) (a) of companies Act and should be disclosed while filling the DPT-3.

Emphasis of Matter

5) In pursuance to the judgement dated 2nd August, 2017 of Honorable Supreme Court of India, in the matter of Writ Petition (Civil) No. 114 of 2014 between Common Cause v/s Union of India & Others, there is a compensation imposed of Rs 924.75 Cr along with interest on the company for excess production of Iron Ore during 2000-01 to 2010-11. The Company was supposed to make the payment of this compensation along with the interest on or before 31st December 2017, failing which the mines of the Company are closed down w. e. f 1st January 2018. The Company has filed a 'Curative petition' (Civil) on 28th March 2018, before the Honorable Supreme Court of India challenging the Judgement which is still pending and other waiver application is also in court vide application No. 19209/2021 Dated 09/02/2021. Hence, the company has not made provision for the same in the books of accounts. However, in our opinion since this compensation has been crystalized and accordingly, a provision for this liability should have been made in the books. Management has confirmed over mail along with other documents including payment challans that Rs. 415.79 crores have been deposited against the order.
Further, Hon`ble Supreme Court through its order dated 10.07.2023 has ordered State Government to takeover and sell the iron ore in question and give credit of the sale amounts to the SPV. After this order OMC (appointed by State Govt.) has recovered Rs. 53.86 crores including GST in the FY 2024-25 and Rs. 44.17 crores including GST in the First Quarter of FY 2025-26.

Accordingly, the Company has booked an income of same amount and respectively book OMC as debtor for the same amount in its books.

Further, based on the financials company is not having any business activity to generate the revenue in future and also after considering the provision for the above liability the net worth of the company would be negative, considering the same company may not be a going concern.

6) MISL has advances received from customers amounting to Rs. 336.09 Crores (RP Advances Rs. 18.82 Crores) as on 31st December, 2025. Out of which no movement in the major proportion of advances for more than 365 days. Since, the advances have not been appropriated against supply of goods or provision of services within a period of three hundred and sixty-five days (365 days) from the date of acceptance of such advance. Hence, the same will be treated as deposit as per the rule 2 (c) (xii) (a) of companies Act and should be disclosed while filling the DPT-3.
