Independent Auditor's Review Report on Unaudited Standalone Financial Results of NBCC (India) Limited for the Quarter and Half Year Ended September 30, 2026 pursuant to the Regulations 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation 2015, as amended

Review Report
To the Board of Directors
NBCC (India) Limited

1. We have reviewed the accompanying statement of Unaudited Standalone Financial Results ("the Statement") of **NBCC (India) Limited** ("the Company") for the Quarter and Half Year ended September 30, 2026, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, Interim Financial Reporting ("Ind AS 34") prescribed under section 133 of the Companies Act, 2013 ("the Act") as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India ("ICAI"). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ("Ind AS") specified under section 133 of the Act as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulations 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

There after vide order dated May 16, 2025 the Hon'ble Supreme Court held that the 2017 Notification, OM of 2021 and all related circulars, Orders and Notifications issued in furtherance thereof as illegal and struck them down and accordingly the Company had written down the inventory by Rs. 8,015.53 lakh as exceptional loss during the year ended March 31, 2025. Accordingly, exceptional loss of Rs. 8,015.53 lakh has been reversed during the year ended March 31, 2026. The Hon'ble Supreme Court, vide its judgement dated July 29, 2026, issued directions with respect to Environmental clearances (ECs) already granted or pending considerations under the 2017 Notifications/2021 Office Memorandum (OM). As per the terms of allotment, lease deed shall be executed between owners association / Housing society, to-be-formed in future and Naya Raipur Development Authority (NRDA). The extension of time for construction was granted by the NRDA to the company upto June 26, 2027. The Company has, vide its letter dated August 9, 2026, requested the NRDA for further extension of construction period by four years. The company is in the process of development of land, approval for development from various authorities is being taken.

7 The Company Real estate Land bank includes ₹ 13230.54 Lakh up to September 30, 2026 (₹ 13178.41 Lakh up to March 31, 2026) toward Freehold Land for a Group Housing Plot admeasuring 16,753.99 Sqm. at Faridabad, execution of conveyance deed in respect of which is pending for want of Environment clearance which is dependent on submission of NOC from Forest Department. NOC from Forest department was not received on the ground that "the criteria for clarification of deemed forests is pending before the Hon'ble Supreme Court and Govt. of Haryana has yet not identified deemed forests". Company had taken up the matter with Government of Haryana to either issue necessary instructions to Forest Department for issuing of NOC as required for Environmental Clearance or refund the amount paid with interest to company. Further, vide its letter dated August 10, 2026, the Company requested the Additional Chief Secretary, Government of Haryana, to intervene in the matter concerning the non-issuance of the NOC by the Forest Department.
A provision of ₹ 1073.66 Lakh as at September 30, 2026 (₹ 1073.66 Lakh up to March 31, 2026) has been created in the books towards reduction in the Net Realisable Value of the said land.

8 The Company had paid a sum of ₹ 3021.78 Lakh to Land & Development Office (L&DO), Ministry of Housing & Urban Affairs (MoHUA) in the year 2011 as additional premium for availing additional ground coverage (FAR) for construction of "Additional Shopping cum Car Parking Blocks" in "NBCC Plaza" at Pushp Vihar, New Delhi. The company has incurred a sum of ₹ 1718.84 lakh on construction cost including ground rent of the project till September 30, 2026 (₹ 1718.84 lakh upto March 31, 2026). Real Estate Construction Work in Progress includes an amount of ₹ 4740.61 Lakh upto September 30, 2026 (March 31, 2026 ₹ 4740.61 Lakh) toward said project. Project is on hold pending approval of building plan by Municipal Corporation of Delhi (MCD) since MCD is also demanding ₹ 3224.45 Lakh towards additional FAR Charges. Since the Company had already paid the applicable FAR premium to L&DO, it contested the MCD's demand on grounds of dual charging for the same component by two different authorities. Further, the matter has been deliberated in a meeting chaired by Hon'ble Minister of State, MoHUA held on April 13, 2026, wherein MCD has been directed to place NBCC's request before the Competent Authority/ House for issuance of conditional Sanction Building plan to facilitate completion of Phase II works by NBCC. Upon completion of Phase- II works, NBCC shall apply for issuance of Completion certificate and shall pay the requisite charges towards Additional FAR to MCD. Further, L&DO has been directed to consider NBCC's request to examine the feasibility of execution of Lease Deed (conditional, if any) with NBCC, incorporating a provision for completion of the balance works.
A complete provision representing the value of expenditure towards construction amounting to ₹ 954.43 lakh up to September 30, 2026 (₹ 954.43 lakh up to March 31, 2026) has been created in the books.

The total cost including land, incurred on the project amounts to ₹ 8700.91 lakh up to September 30, 2026 (₹ 8700.91 lakh up to March 31, 2026). The sale of units in the project was put on hold due to the non-availability of Environmental Clearance (EC) and other requisite statutory approvals. RERA Registration was received for the project which has been expired in December, 2024 and renewal of the same was under process.
The State Expert Appraisal Committee (SEAC) in 147th meeting held on July 21, 2023 recommended the grant of EC under the Office Memorandum (OM) dated July 07, 2021 and January 28, 2022 issued by Ministry of Environment Forest & Climate Change (MoEFCC). EC was put on hold due to stay on both the aforesaid OMs by the Hon'ble Supreme Court, in W.P.(C) No. 1394/2023 titled Vanashakti vs. Union of India, vide order dated January 02, 2024. Vide order dated May 16, 2025, the Hon'ble Supreme Court held that the 2017 Notification, OM of 2021 and all related circulars, orders, and notifications issued in furtherance thereof are illegal and accordingly struck down.

Accordingly, the earlier write-down amounting to ₹ 8015.53 lakh has been reversed as Exceptional Item and the project has been reinstated under "Real Estate Inventory (Work-in-Progress)" at original total cost in FY 2025-26, based on the valuation done by the IBBI-registered valuer.

The Hon'ble Supreme Court, vide its judgment dated July 29, 2026, issued directions with respect to Environmental Clearances (ECs) already granted or pending consideration under the 2017 Notification/2021 Office Memorandum (OM). The Court directed that any application which had been dismissed, returned, or delisted solely on account of the stay order dated January 2, 2024 and/or the judgment in Vanashakti-I may be reconsidered by the concerned authority in light of the observations made in the said judgment, particularly the prospective quashing of the 2021 OM.
In view of the said judgement, the Company vide its letter dated August 05, 2026 requested to the State Environment Impact Assessment Authority (SEIAA) to reconsider the matter and grant of Environmental Clearance, which has been kept on hold due to stay order dated January 02, 2024.

10 The Company Real Estate Completed Projects includes ₹ 589.29 lakh up to September 30, 2026 (₹ 916.96 lakh up to March 31, 2026), towards its share in development of a project located at Jackson Gate, Agartala, under Joint Operations with Agartala Municipal Corporation (AMC). Since the project has already been completed, RERA registration is not required, as confirmed by the Tripura Real Estate Regulatory Authority (T-RERA).
Agartala Municipal Corporation (AMC), Government of Tripura, has decided to establish a 50-bedded city hospital in the vacant portion of the building and has accordingly decided to acquire the entire share of NBCC in the building for this purpose. During the quarter ended September 30, 2026, AMC took over a portion of the building admeasuring 1908 square metres from the Company, against which the Company received ₹1000 lakh towards the sale consideration.

11 The Company Real Estate Completed Projects includes ₹ 5806.44 Lakh up to September 30, 2026 (₹ 5806.44 Lakh up to March 31, 2026) towards the cost of a Group Housing project constructed on lease hold land located at Alwar named Aravali Apartments. The substantial portion of the project was completed in the year 2018. The completion certificate of the project has been obtained and RERA registration/exemption has been received from Authority on October 29, 2024. A provision of ₹ 1256.44 lakh had been created in the books towards reduction in the Net Realisable Value of the said Project upto March 31, 2025.
Pursuant to the e-auction conducted during the Financial Year 2025-26, the Company has received a firm sales commitment from the H-1 bidder for sale of the project on an "As Is Where Is" basis for a total consideration of ₹ 5,855 lakh. In view of the said firm sales commitment and the resultant increase in net realisable value, the provision of ₹ 1,256.44 lakh created up to March 31, 2025 has been reversed during the year ended on March 31, 2026, in accordance with Ind AS. Independent Auditor's Review Report on Unaudited Consolidated Financial Results of NBCC (India) Limited for the Quarter and Half Year ended September 30, 2026 pursuant to the Regulations 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation 2015, as amended

Review Report
To the Board of Directors
NBCC (India) Limited

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results ("the Statement") of **NBCC (India) Limited** ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and its share of the net profit after tax and total comprehensive income of its joint ventures for the Quarter and Half Year ended September 30, 2026, being submitted by the Holding Company pursuant to the requirements of Regulations 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. The Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 ("the Act") as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India ("ICAI"). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of Holding Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India ("SEBI") under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the financial results/financial information of the following entities:

   A. Subsidiaries:

The extension of time for construction was granted by the NRDA to the Group upto June 26, 2027. The Group has, vide its letter dated August 9, 2026, requested the NRDA for further extension of construction period by four years. The Group is in the process of development of land, approval for development from various authorities is being taken.

7 The Group Real estate Land bank includes ₹ 13230.54 Lakh up to September 30, 2026 (₹ 13178.41 Lakh up to March 31, 2026) toward Freehold Land for a Group Housing Plot admeasuring 16,753.99 Sqm. at Faridabad, execution of conveyance deed in respect of which is pending for want of Environment clearance which is dependent on submission of NOC from Forest Department. NOC from Forest department was not received on the ground that "the criteria for clarification of deemed forests is pending before the Hon'ble Supreme Court and Govt. of Haryana has yet not identified deemed forests". The Group had taken up the matter with Government of Haryana to either issue necessary instructions to Forest Department for issuing of NOC as required for Environmental Clearance or refund the amount paid with interest to the Group. Further, vide its letter dated August 10, 2026, the Group requested the Additional Chief Secretary, Government of Haryana, to intervene in the matter concerning the non-issuance of the NOC by the Forest Department.

The Group has incurred a sum of ₹ 1718.84 lakh on construction cost including ground rent of the project till September 30, 2026 (₹ 1718.84 lakh upto March 31, 2026). Real Estate Construction Work in Progress includes an amount ₹ 4740.61 Lakh upto September 30, 2026 (March 31, 2026 ₹ 4740.61 Lakh) toward said project. Project is on hold pending approval of building plan by Municipal Corporation of Delhi (MCD) since MCD is also demanding ₹ 3224.45 Lakh towards additional FAR Charges. Since the parent Company had already paid the applicable FAR premium to L&DO, it contested the MCD's demand on grounds of dual charging for the same component by two different authorities. Further, the matter has been deliberated in a meeting chaired by Hon'ble Minister of State, MoHUA held on April 13, 2026, wherein MCD has been directed to place NBCC's request before the Competent Authority/ House for issuance of conditional Sanction Building plan to facilitate completion of Phase II works by NBCC. The sale of units in the project was put on hold due to the non-availability of Environmental Clearance (EC) and other requisite statutory approvals. RERA Registration was received for the project which has been expired in December, 2024 and renewal of the same was under process.
The State Expert Appraisal Committee (SEAC) in 147th meeting held on July 21, 2023 recommended the grant of EC under the Office Memorandum (OM) dated July 07, 2021 and January 28, 2022 issued by Ministry of Environment Forest & Climate Change (MoEFCC). EC was put on hold due to stay on both the aforesaid OMs by the Hon'ble Supreme Court, in W.P.(C) No. 1394/2023 titled Vanashakti vs. Union of India, vide order dated January 02, 2024. Vide order dated May 16, 2025, the Hon'ble Supreme Court held that the 2017 Notification, OM of 2021 and all related circulars, orders, and notifications issued in furtherance thereof are illegal and accordingly struck down.
In view of said decision, the Group had written down the value of its inventory toward said project by ₹ 8015.53 lakh as Exceptional Item and Value of land of the project was restated at its original cost of ₹ 281.77 lakh and was shown under "real estate land bank" and ₹ 435.38 Lakh was being shown under "Real Estate Building Structure (Unsold Units) -Scrap", being net realisable scrap value in FY 2024-25.

The Hon'ble Supreme Court, vide its judgment dated July 29, 2026, issued directions with respect to Environmental Clearances (ECs) already granted or pending consideration under the 2017 Notification/2021 Office Memorandum (OM). The Court directed that any application which had been dismissed, returned, or delisted solely on account of the stay order dated January 2, 2024 and/or the judgment in Vanashakti-I may be reconsidered by the concerned authority in light of the observations made in the said judgment, particularly the prospective quashing of the 2021 OM.
In view of the said judgement, the Company vide its letter dated August 05, 2026 requested to the State Environment Impact Assessment Authority (SEIAA) to reconsider the matter and grant of Environmental Clearance, which has been kept on hold due to stay order dated January 02, 2024.
