Board of Directors' Responsibilities for the Standalone Financial Results

4. These standalone financial results have been prepared on the basis of the annual standalone financial statements. The company's Board of Directors are responsible for the preparation and presentation of these standalone financial results that give a true and fair view of the net loss and other comprehensive income and other financial information of the company and the standalone statement of assets and liabilities and standalone statement of cash flows in accordance with recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant issues thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of accounting policies; making judgement and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give true and fair view and are free for material misstatement, whether due to fraud and error.

5. In preparing the standalone financial results, the Board of Directors of the Company are responsible for assessing the ability of the Company to continue as going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

6. The Board of Directors of the Company is responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of Standalone Financial Results

7. Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from a fraud or error and consider material, if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

8. As part of an audit in accordance with the SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

B. B. Gusani & Associates M. No. 120710 Chartered Accountants

CA BHARGAV B. GUSANI
bhargavgusani77@gmail.com

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to our basis of opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud involves collusions, forgery, intentional omissions, misrepresentations, or override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of the accounting policies used and reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on our audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidences obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of financial results including the disclosures and whether the standalone financial results represent the underlying transactions and events in the manner that achieves fair presentation.

9. We communicate with those charged with governance of the company regarding, among other matters, the planned scope of timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear our independence, and wherever applicable, related safeguards.
