We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Engagements to Review of Interim Financial Information Performed by the Independent Auditor of the Entity- issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement.

A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Quarterly Financial Statements are not prepared, in all material respects, in accordance with the applicable accounting standards and other recognized accounting practices. Furthermore, as per the information provided by the management, nothing has come to our attention that causes us to believe that the Company has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed.
