INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Shri Balaji Valve Components Limited (Formerly Known-as Shri Balaji Valve Components Private Limited)

Report on the audit of the Half year ended and for the year ended 31st March, 2026 Financials Results

OPINION

We have audited the accompanying half yearly financial results of Shri Balaji Valve Components Limited (Formerly Known-as Shri Balaji Valve Components Private Limited) (hereinafter referred to as the "the Company") for the half year ended and year ended 31 March 2026, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, these financial results:

a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

b. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Accounting Standards and other accounting principles generally accepted in India, of the net profit and other financial information for the half year ended and year ended 31 March 2026.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KISHOR GUJAR & ASSOCIATES PUNE-18

MANAGEMENT'S AND BOARD OF DIRECTOR'S RESPONSIBILITIES FOR THE FINANCIAL RESULTS

The statement which includes Financial Results is the responsibility of the Company's Board of Directors and has been approved by it for the issuance.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these financial results that give a true and fair view of the net profit/loss and other financial information in accordance with the recognition and measurement principles laid down in Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of the Financial Results by the Directors of the Company, as aforesaid.

In preparing the financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL RESULTS

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

– Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

– Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

– Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial results made by the Management and Board of Directors.

– Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

– Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

– Perform procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable.

– Obtain sufficient appropriate audit evidence regarding the Financials Results of the Company to express an opinion on the Financial Results. We are responsible for the directions, supervision and performance of the audit of financial information of which we are the independent auditors.

Materiality is the magnitude of misstatements in the Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

To,
The Board of Directors
SHRI BALAJI VALVE COMPONENTS LIMITED

A. I have reviewed the financial statement and cash flow statement of M/S SHRI BALAJI VALVE COMPONENTS LIMITED for the Year ended on 31st March 2026, and to the best of our knowledge and belief:

1. These statements do not contain any materially untrue statements or omit any material facts or contain statements that might be misleading;
2. These statements together present a true and fair view of the listed entity's affairs that comply with existing accounting standards, applicable laws, and regulations.

B. To the best of our knowledge and belief, no transactions have been entered into by the listed entity. During the year ended 31.03.2026, which is fraudulent, illegal, or violated the Company's code of conduct.

C. We accept responsibility for establishing and maintaining internal controls for financial reporting, and we have evaluated the effectiveness of internal control systems of the Company pertaining to Financial Reporting and they have disclosed to the Auditor and the Audit Committee, deficiencies in the design or operation of internal controls if any, of which we are aware and the steps we have taken or proposes to take to rectify these deficiencies.

D. We have indicated to the Auditor and the Audit Committee:

I. That there are no significant changes in internal control over financial reporting during the year;

II. That there are no significant changes in accounting policies during the year, subject to changes in the same, and that the same have been disclosed in the Notes to the Financial Statement and

III. That there are no instances of significant fraud of which we become aware, and the involvement therein, if any, of the Management or an employee has a significant role in the company's internal control system over Financial Reporting
